*In giving we not only find wealth while in cyclic existence, but we achieve the zenith of prosperity in supreme enlightenment. Therefore we all have to practice giving.*

Shantideva Center shares the Dharma freely. As a center managed and run by volunteers, we rely on your generosity to pay our rent, utilities, teacher offerings, teacher travel expenses, administrative expenses, and material costs, which is why we have suggested donations for events. Without your support, we would not be here. No one is turned away for lack of funds. If you are unable to contribute the full suggested donation, please complete this form and return it by e-mail to our director, [Desmond Hosford](#) ***no later than one week before the scheduled event***. If you have any questions, please do not hesitate to contact Desmond. All information provided is strictly confidential.
